APAT Partner n°. 576
NIPC: 503 097 632

AIR FREIGHT

Air service for urgent needs. Our primary concern is to provide a fast and effective service so that the goods arrive and on time at the desired location.

LOGISTICS

We are accredited to provide optimized logistics solutions. We bring together all the factors necessary for a service of excellence, in infrastructure, human resources and experience.

SEA FREIGHT

Our maritime service, with global coverage, allows your cargo to arrive anywhere in the world without delays and in safety.
